Feminist Approaches to Analyzing Dance

Make a list of analytical approaches offered in the readings that you could apply when viewing and discussing a dance.

Watch the following dance videos and pick one to analyze in 1-2 pages using the approaches gathered above:

The Weather Girls music video, *It’s Raining Men*:

Note: You will likely gather more strategies than you can apply in 1-2 pages, so pick those that bring up the most interesting discussion in relation to the example you have selected.
