Intro Assignment: Choose a simple movement that you can do – from daily life, sports, dance, etc.

Thoroughly describe that movement in writing (200-400 words) using clear and specific language. Be detailed about what parts of the body move, where they move, and how. Your regular English vocabulary is sufficient for this first writing.

Bring a paper copy of your writing to our first class on Monday and submit your homework via email to jtanner@marlboro.edu and horrigan@marlboro.edu.
